DIRECTIONS BY CAR

Exit on A12 GENOVA-LIVORNO at CARRODANO-LEVANTO (see map) and follow signs to Levanto and Monterosso al mare. After Levanto follow signs up hill towards Monterosso. At the top of the hill you will drive to a short tunnel. 400 meters after it you will see a left turn uphill toward La Spezia, Pignone and Vernazza. Ignore it. Keep on the road you are on (it keeps going left) ignoring also the downhill turn to the right for Monterosso – Fegina., but follow for Monterosso Centro Storico instead. After 5 Km. you will be at the beginning of the town where you can find a parking lot (parking costs E.25,00 per day). To save money you can park on the street but be careful do not park where yellow lines are because these are parkings reserved for local people. In case you park really far from the town we can call a taxi for you to bring you down closer to the apartment with your luggage. The cost of the taxi is E.15,00.

If you prefer to walk down, please come to the roundabout at the beginning of the old town we will meet there and we will show you where the apartment is

DIRECTIONS BY TRAIN

From Monterosso railway station (see map): on exiting the railway station turn left along the sea front and walk straight for 300 meters until a tunnel. Pass through the tunnel and in front of you there is the railways bridge. We will meet there and we will show you where the apartment is.

Please let us know your arrival time, thank you!
